I will put this together. I can drop these items off at the station around 2pm today.

Let me know if there is anything else you will need.

Hi Paul,

I'm working with Rob Gibson on supporting LE Operations in Aurora, CO. I've cc'd Captain Redfern from the Aurora Police Department who needs 25 branded boxes big enough to hold a few laptops, 1 roll of branded tape and lithium ion stickers for their operation. Once you have the supplies can you provide him with pickup details/dates? Thanks in advance for the assistance.

Captain Redfern please advise if I am off on the box sizes/quantities.

Amazon team please confirm receipt and let me know if you have any questions (Dayna is in the loop and has approved).

Thank you,  
Aaron Leger
